BOXES

20% off list!

Zarges Boxes Excellent as pop storage or for sending tools or sensitive equipment abroad. Use it for storing your spray guns or brushes. Whatever your use, the Zarges box will keep everything secure clean and protected. The lid has a foam seal to protect from dust and water spray. Ideal for transporting goods on trailers, or roof racks. The flip catches are lockable. The aluminium construction keeps air freight costs down.

Zarges built in quality to protect your valuable possessions.

Just one of a large range

Festool Sortainer System

Festool developed this storage system to be used in conjunction with their outstanding power tools. As with all Festool products the Sortainer System has been thoroughly

designed and engineered to provide an innovative and robust storage system with a multitude of applications. Each box will lock onto each other and wheeled bases are available. You can choose a box to fit your power tool or other equipment plus another box with drawers like the one shown to hold all the accessories. Excellent for fit up kits and paint calls. The box above has 6 mid size drawers, 2 dividers per drawer, 8 label holders and 8 lettering strips. See page 3.09 or visit flints.co.uk to find a wider selection.

OTHER BAGS

Ortlieb X-plorer 59L Dry Bag An endlessly useful totally waterproof bag ideal for storing and travelling with your

PPE. Unlike most dry sacks, this type has easily adjustable shoulder straps plus a hand grip. It will roll down into a compact back sack but expand to hold extra gear when you need it. The well padded straps are quickly adjustable and, if you are being really active, there is a cross over strap to prevent

the shoulder straps from slipping off your shoulders. A good bag for cyclists too as it is narrow enough not to obscure your view when glancing back over your shoulder. Very strong and hard wearing. Highly recommended!

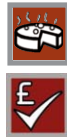

Ortlieb X-plorer	size	code	each
Blue	59l	BBPOK97BLBM	£40.20
Blue	35l	BBPOK97BM	£36.26
