## BLACKBOARD PAINTS

**Rustin's Blackboard Black** A quick drying water-based non-reflective acrylic paint for blackboards and photographic work. Conforms to Toy Safety regulations. Suitable for interior and exterior use. I have used this paint onto a gloss painted exterior notice board and every day it gets written on with

liquid chalk marker pen and then cleaned with a hard scrub at the end of the day. I thought it would last a couple of weeks but 6 months later it looks as good as new! Brilliant tough paint. Covers 12 m<sup>2</sup> per litre. See also Magnetic Chalkboard Paint ↑.
