

# STAGING

Flints have over twenty years of experience in supplying and hiring staging systems. Unlike the individual manufacturers, we can offer impartial advice on all makes of staging including Doughty's Easydeck, Stagebase and the aluminium Nivoflex systems, as well as Steeldeck and Metrodeck that are listed below. Requirements vary widely, from systems that can be handled by school children to decks that can withstand the rigors of touring. Flints can offer independent advice so that you get the system best suited to your needs.

**Steeldeck 7.5kN loading** The most popular staging system used in theatres. It is strong, quick to rig, and easy to handle. Steeldeck uses steel or aluminum scaffolding tube for legs. Complex structures can be designed by bracing the legs with standard scaffolding components. Tiered seating can be accomplished by overlapping the units. Units can be wheeled by purchasing a set of scaffold castors. These wheeled units make handy storage trolleys for storing your decks and are widely used for shifting heavy gear during theatre get ins. There are endless ways to use Steeldecks from choir tiers, raked stages and Santa's sleighs to banqueting tables and production desks.

Standard Steeldeck [imperial]	size	code	price
	8ftx4ft	SD84	£325.00
	8ftx4ft [frame only]	SD84F	£265.00
	8ftx3ft	SD83	£291.00
	8ftx2ft	SD82	£261.00
	6ftx4ft	SD64	£291.00
	4ftx4ft	SD44	£267.00
	3ftx3ft	SD33	£235.00
Standard Steeldeck [Metric]	size	code	price
	2mx1m	SDM21	£291.00
	1mx1m	SDM11	£235.00

**Legs and Accessories** Legs can be cut to any height. A multi leg adapter [shown] can be used where four legs meet allowing one adjustable foot to be utilised for uneven ground.

Set of 4 legs for height	code steel	price	code ali	price
up to 305mm (1ft)	SCFLG1	£12.40	SCFLG1A	£15.80
305-610mm (2ft)	SCFLG2	£18.00	SCFLG2A	£25.00
610-915mm (3ft)	SCFLG3	£23.80	SCFLG3A	£34.40
915-1220mm (4ft)	SCFLG4	£29.40	SCFLG4A	£43.60

M10x65mm Hex bolts [per 100]	FIX7610	£13.50

This page was updated 09/04/10

**Metro Deck** is the ideal modular staging system which is strong yet easy to handle. The legs are standard galvanised scaffolding tube which are locked off with a T bar and the decks can be held together with velcro straps so no tools are needed. As the rostra are 2mx1m [or 6x4ft] they are easily managed. Metrodeck is rated at 5kN/m<sup>2</sup>. A 2x1m unit weighs 42kgs.

For leg prices see other column

✓ Black powder coated frame 110mm deep. ✓ Good quality 18mm sustainable ply top [FSC]. ✓ Noise reducing underfelt.

#### NIVOflex Event

An aluminium rostra system with clean lines capable of taking 750daN/m<sup>2</sup> and standing up to 1.66m without additional bracing. Conforms to DIN4112. Takes standard scaffolding tube legs. Weighs 33kg with a 90mm storage height. These decks are made in Germany so, to avoid transport costs, please allow time for small orders to be shipped together with large orders.

- ✓ Light weight. ✓ Simple clean lines.
- ✓ Economically priced. ✓ Takes round or square legs.
- ✓ Wide variety of accessories are available.

Nivoflex	size	code	price
	2m x 1m rostra	NIVEVENT21	£273.00

For prices of legs see column alongside.

## EASYDECK

new

**EasyDeck** is a modular performance system suited to the smaller venue. It is a "no fuss" system, which is simplicity itself to install and requires no special tools to assemble.

- ✓ No tool assembly
- ✓ Easily managed by one person
- ✓ Reversible deck panels [from renewable source]
- ✓ Black powder coated finish
- ✓ SWL 500kg per square metre
- ✓ 1m and 750mm square options [see website]
- ✓ Conforms to DIN53799, BS6566:1985, BS3755:1964 and are made in accordance with ISO 9001:1994 quality assurance systems.

## RAT MUSIC STANDS

The choice of Opera Companies Worldwide

**Opera Music Stands** Constant friction joints allow the tray and lamp to be instantly adjusted. Shaped and weighted base for stability and comfort. Telescopic uprights allow 600mm of movement. Detachable base for ease of storage and touring. Tough black nylon finish. Choice of mains or low voltage halogen -to keep the pit temperature down. Daisy chain system available.

Item	weight	code	price
Opera Stand without lamp	5.90kg	DOUT47500	£108.78
Opera Stand with single lamp*	6.83kg	DOUT47502	£174.28
Opera Stand with single lamp*and IEC daisychain system with 2m cable	7.23kg	DOUT47504	£247.97
Opera Stand with twin bulb halogen lamp and integral mains transformer	7.46kg	DOUT47510	£251.48
As above but with daisy chain system.	7.86kg	DOUT47512	£325.16

\*SES Candle bulb

**Conductor's Stand** Height adjustment from 810mm to 1350mm. Extra slim halogen lamp with 4x20w bulbs. Tray size 975 x 475mm for the largest scores.

RAT Stands can also be supplied with LED lights. Please ask for a quotation.

Item	weight	code	price
Conductor's Stand no lamp	13kg	DOUT47516	£288.90
Conductor's Stand with lamp	16kg	DOUT47518	£560.26
Conductor's Stand with lamp and Daisy chain system	16.4kg	DOUT47520	£633.95

## STANDARD HANDRAIL UNITS

new

Right hand shown

HIRE

3kN compliant handrails

**Flints Standard Handrail Units** These new units comply with the stringent regulations requiring a

strength of 3kN, a height of 1100mm and for no gap to allow a 100mm sphere to pass through. They are drilled to fit both Steeldeck and Megadek systems. They were designed to speed up our hire jobs which often have handrail requirements. Available in 4ft, 3ft and 2ft units [all for 4ft decks] with joint clips to suit straight joints/outside corners or for inside corners. Finish black power coated. The 2ft and 3ft sections are handed please replace the X in the code with L or R.

Item	width	code	price
Flints Handrail Units	4ft for 4ft	FHS600	£224.50
Flints Handrail Units	3ft for 4ft	FHS602X	£208.88
Flints Handrail Units	2ft for 4ft	FHS604X	£183.87
Joint clip [straight and outside joins]		FHS610	£18.28
Joint clip [inside joins]		FHS611	£14.02

See page 3.75 for hire details.
