FLINTS T-SHIRT

Flints T-shirt

We've given away hundreds of t-shirts over the years at trade shows and the Edinburgh Outpost, they've often featured the colour of the latest catalogue, illustrations or in jokes that make little sense ["Alasdair says Relax" iykyk]. The appetite for a Flints t-shirt hasn't waned over the years so we've introduced one that will be available all year round in a classic black t-shirt so you can show off your love of Flints all year round!

Flints Scenery Fittings Poster

To celebrate the introduction of the new Wire Saver Grummet we thought we'd produce a poster as a quick reference guide for all the specialist fittings we stock. Perfect for the workshop, office or bedroom wall.

MUGS

Flints Mug

Flints Black...Mug. Why is it black when the catalogue is pink? Well the last catalogue was black that's why and we order loads of mugs at once to keep costs down so we still have many of these to get through. Same thing happened with the last [black] catalogue, we had yellow mugs in that one. So stay tuned for pink mugs in 2027!
